SUBJECT: IPCC Special Report on Oceans and the Cryosphere in a changing climate

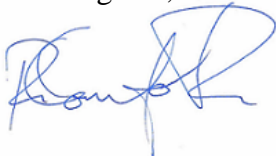

Dear Focal Points,

The Intergovernmental Panel on Climate Change (IPCC) released its Special Report on Oceans and the Cryosphere in a changing climate (SROCC) on 25 September 2019.

The report will have been circulated to all IPCC national focal points, as well as UNFCCC focal points, by the IPCC Secretariat. Details of the report can be found at:
<https://www.ipcc.ch/srocc/home/>.

I urge you to give high consideration to this report and disseminate it widely. Further synthesis of the report will be undertaken by SPREP in collaboration with Climate Analytics and will be shared in due course.

Kind regards,

Roger Cornforth
Acting Director General
