

## CIRCULAR

**FILE:** AP 2/2/24/3  
**DATE:** 1 May 2020  
**CIRCULAR:** 20/34

**TO:** SPREP National Focal Points

**SUBJECT: Framework for Nature Conservation and Protected Areas in the Pacific Islands Region 2020-2025: Survey for Pacific Island Countries and Territories**

Dear National Focal Points,

The 10<sup>th</sup> Pacific Islands Conference on Nature Conservation and Protected Areas will deliver a new *Framework for Nature Conservation and Protected Areas 2020 – 2025*.

A review of the current framework is being carried out by SPREP for the Pacific Islands RoundTable for Nature Conservation (PIRT). A survey is attached to this circular and I would like to request input from our Members which will help the consultant to formulate the first draft of the next Framework (2020-2025) which will be circulated for review.

The draft Framework will be presented at the 10<sup>th</sup> Pacific Islands Conference on Nature Conservation and Protected Areas in Noumea for further review by participants.

A copy of the current Framework can be downloaded:

Please email survey responses to our consultant James Tremlett [jwd.tremlett@outlook.com](mailto:jwd.tremlett@outlook.com) by the **29 May 2020** or if you have any questions regarding the survey.

Thank you in advance for your usual support and assistance.

Yours sincerely,

Kosi Latu (for the PIRT Secretariat)  
**Director General**
