CIRCULAR: 20/41

SUBJECT: Extension of deadline for comments on the Oil Spill Response Limited (OSRL) Membership Agreement (reference Cir#20/23)

In reference to *Cir#20/23: Invite comments on the Oil Spill Response Limited (OSRL) Membership Agreement*, I am pleased to advise an extension to the due date and invite further comments on the revised draft OSRL Membership Agreement documented by email to Anthony Taloui anthonyt@sprep.org no later than **31st May 2020**.

As advised previously comments received will be consolidated and incorporated into a final OSRL Membership Agreement to be signed by SPREP. Each PICT will be invited to sign the Associate Agreement as a "Mobilising Party" to have direct access to OSRL's response services by July, 2020. A workshop for all PICTs to share a greater level of detail on the services, mobilization, response procedures and processes, roles and responsibilities of each party tentatively scheduled for the 30 July 2020 in the Solomon Islands has been postponed till further notice.

I look forward to receiving your comments by the 31st May 2020.

Thank you for your consideration.

Yours sincerely,

Kosi Latu
Director General
