SUBJECT: Invitation to the Official Launching Program of the Pacific Climate Change Centre (PCCC) Online e-learning Platform, Friday 12, March 2021

Dear Sir/Madam,

I am pleased to warmly invite you to the official launching program of the Pacific Climate Change Centre (PCCC) Online e-learning Platform on **Friday, 12 March 2021** at the Pacific Climate Change Centre, Apia Samoa from 3:00 pm – 4:00 pm. (Samoa time and date.)

The Pacific Climate Change Centre Online e-learning Platform will see the utilisation of both electronic and online technologies to deliver and access education, training, and workshops on climate change, remotely. The PCCC explored the viability and options to formalize this online e-learning platform as part of its services to provide capacity building and training on Climate Change to our Pacific community. The e-learning platform will host various courses including Executive courses, Open Learning Short Courses, Children's Education Corner, and Webinar Series.

The event will be live streamed via Zoom for those who would like to join remotely. Kindly use the zoom link provided below:
