

## AGENDA

IPCC AR6 WGII FGD review - Webinar for the Pacific SIDS  
*Online (via Zoom)*  
*November 23<sup>rd</sup>, 2021 – 12:00 PM (Samoa/Apia time)*

### CONTEXT FOR THE MEETING

This webinar will cover the review of the Final Government Distribution (FGD) of [Working Group II \(Impacts, Adaptation and Vulnerability\)](#) for the IPCC Sixth Assessment Report (AR6), concentrating on the Summary for Policymakers and other key messages. The webinar will provide participants with a summary of the very latest IPCC research findings and enable CARICOM Member States Focal Points to the IPCC to prepare informed inputs on the draft ahead of the **26 November 2021 deadline**.

Particularly, the workshop aims to:

- Review the Summary for Policymakers with a focus on key issues for the Pacific SIDS.
- Support participants in developing national comments and providing national feedback to the IPCC on the FGD and SPM.
- Discuss key challenges with the report and the modalities of the IPCC plenary to strengthen Pacific countries' active engagement during the virtual approval plenary
- Elaborate on the link between work at the IPCC and the UNFCCC negotiations
- Strengthen regional coordination and cooperation between IPCC focal points
- Strengthen regional coordination and cooperation on scientific issues, including the IPCC reports, between IPCC and UNFCCC focal points, the regional scientific community and other stakeholders.

**Confidentiality Notice:** *Please note that this review round is addressed to Governments only – this webinar is therefore considered to be a closed forum for discussions amongst the invited participants only. As such, these discussions remain confidential and related documents are not public; they should not be cited, quoted or distributed. Additional authentication measures are put in place to access the online meeting room.*

The webinar is facilitated by Climate Analytics (CA) in partnership with SPREP, Pacific Climate Change Centre and is supported by UK's Department for Business, Energy & Industrial Strategy (BEIS).
