SUBJECT: **Launch of the Interactive State of Environment (SOE) Webpage**

Dear Members,

The Environmental Monitoring and Governance (EMG) Programme of SPREP is currently executing the GEF funded Inform Project, implemented through UN Environment, which has supported and delivered several key targeted interventions to support environmental decision making in the region.

The Inform Project is excited to announce the launch of our first Interactive SOE Webpages on Thursday 18th November 2021, 2:00pm (UTC +13:00) to promote awareness and use of country SOE. The Interactive SOE Webpages will complement the great work completed by the countries and the Inform team on their SOE reports.

We cordially invite you to be with us for this special launch. For more information, please contact Jonathan Porter jonathanp@sprep.org

Thank you for your continued support and cooperation.

Yours sincerely,

Kosi Latu
