SOE in the Pacific Islands: 2020 Regional Report: Indicator 4 - Native forest cover	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 5 - Freshwater Quality	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 6 - Land under cultivation	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 7 - Wetlands	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 8 - Live Coral Cover	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 9 - Lagoon Water Quality	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 10 - Commercial Pelagic Fish	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 11 - Coastal fish biomass	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 12 - Marine Plastic Pollution	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicators 13-18 - Protection of Pacific spaces	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicators 19-20 - Managing Invasive Species in the Pacific	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 21 - Status of Migratory Species of concern	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 22 - IUCN Red List summary	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicators 23-25 - SOE in the Pacific Islands: 2020 Regional Report: Indicators 23-25 – Climate resilience through environmental management.	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 26 - Ozone Depleting Substances	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 27 - Renewable energy	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicators 28-29 - Per capita generation of Municipal Solid Waste	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicator 30 - Hazardous waste	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: Indicators 31 - Access to and Quality of Sewage Treatment	<a href="#">Download</a>
SOE in the Pacific Islands: 2020 Regional Report: All Indicators	<a href="#">Download</a>

Session 27: Prioritising Coral reefs in the Post 2020 Global Biodiversity Framework	<a href="#">View/Listen</a>
Session 26: Launch of the Pacific Battler Lounge 2020 Pacific Battler of the Year Award	<a href="#">View/Listen</a>
Session 25: Declaration of Vemööre	<a href="#">View/Listen</a>
Session 24: The Pacific Islands Framework for Nature Conservation and Protected Areas 2021 2025s	<a href="#">View/Listen</a>
Session 23: Pacific Youth Engagement in Biodiversity and Conservation Decision Making Process	<a href="#">View/Listen</a>
Session 22: Sustainable Financing: Dream big, work hard and Go for It!	<a href="#">View/Listen</a>
Session 21: How to Draw on Nature to Ensure a Sustainable Development?	<a href="#">View/Listen</a>
Session 20: Ocean Health for Ocean Wealth –Sustainable Ocean Economies	<a href="#">View/Listen</a>
Session 19: Building Resilient Island Economies & Communities in Pacific: Balancing Protection & Production	<a href="#">View/Listen</a>
Session 18: Saving Paradise – species by species	<a href="#">View/Listen</a>
Session 17: Deep Connections – Pacific Communities and Deep-Sea Mining	<a href="#">View/Listen</a>
Session 16: Sustainable & Regenerative Tourism in the Pacific - Tools for Making Progress	<a href="#">View/Listen</a>
Session 15: Assessing & Mitigating Threats & Pressures on Inland & Coastal Water Quality in the Pacific	<a href="#">View/Listen</a>
Session 14: Mangroves, Coral reefs & Seagrass: Conserving Coastal Marine Habitats in the Pacific	<a href="#">View/Listen</a>
Session 13: Valuing Biodiversity in the Pacific: the place of Identity, Traditional Knowledge, Education, Heritage and Cultural Expressions	<a href="#">View/Listen</a>
Session 12: Bringing our Pacific Lands Under Meaningful Protection Lessons from the past 10 years	<a href="#">View/Listen</a>
Session 11: New Caledonia, facing common Pacific Islands Fisheries concerns	<a href="#">View/Listen</a>
Session 10: Governance that Works for Nature Conservation	<a href="#">View/Listen</a>
Session 9: Can Nature based solutions achieve their potential to tackle human induced problems	<a href="#">View/Listen</a>
Session 8: Nature's Oceanic Voyagers	<a href="#">View/Listen</a>
Session 7: How we can better use data & traditional knowledge to make decisions that affect nature	<a href="#">View/Listen</a>
Session 6: Protecting and Restoring Terrestrial Ecosystems in the Pacific	<a href="#">View/Listen</a>
Session 5: Turning the tide: - Preventing Plastic Pollution in Pacific Island Countries & Territories	<a href="#">View/Listen</a>
Session 4: Our Connection with Nature: Our People at the Center of Nature Conservation Action	<a href="#">View/Listen</a>
