**SUBJECT:** Invitation to SPREP Open Day 16 June 2021

As you are aware, this year, SPREP will be celebrating 28 years on 16 June. To recognize this special day, the Secretariat will be hosting an Open Day on Wednesday 16 June at the SPREP Campus.

The Open Day will be attended by seven local schools in Samoa. The Secretariat has decided for this year's celebration to capitalise on the use of the latest technology and virtual platforms and wish to extend an invitation to all our Members to participate virtually in a special virtual activity that is being organised as part of the Open Day targeting primarily tertiary/university level students. The main aim of the virtual activity is to provide an opportunity for students from outside of Samoa to learn more about SPREP, its work and the wealth of knowledge products and resources that are available through the SPREP Virtual Library and website. It is also an opportunity to connect, communicate, and learn from SPREP staff and experts in the various Programmes and Departments.

To facilitate the participation of students from your respective countries, your assistance is kindly requested to share this invitation with key tertiary institutions in your respective countries for their information and to express interest to participate in the SPREP Open Day. For those students wishing to take part in the Open Day, they are required to complete the attached form and return to the Secretariat no later than Friday 11 June 2021. We will provide the zoom link to the virtual event once forms are received.

If you have any queries, please do not hesitate to contact Mr. Christian Slaven email [christians@sprep.org](mailto:christians@sprep.org) and copy Ms. Miraneta Williams-Hazelman, email [miranetaw@sprep.org](mailto:miranetaw@sprep.org) and Ms. Apiseta Eti, email [apiseta@sprep.org](mailto:apiseta@sprep.org)

We look forward to welcoming students from your respective countries who will be joining us for the SPREP Open Day virtual event.

Yours sincerely,

Kosi Latu
