DATE: 5 July 2021
CIRCULAR: 21/62
SUBJECT: Melanesia Consultations for the SPREP Independent Corporate Review and Mid-Term Review of the SPREP Strategic Plan 2017-2026

Dear Members,

Further to Circulars [21/55](#) and [21/58](#), this serves to inform you that the Independent Review Team of Natural Solutions Pacific have advised the Secretariat that they will be conducting country consultations through separate meetings and interviews, *rather than hosting a virtual consultation workshop for the Melanesia Region, initially scheduled for this Wednesday 7 July.*

The consultation lead for Melanesia, Ms. Ana Laqeretabua (ana.laqeretabua@gmail.com) and Deputy Project Manager, Ms. Ashlee Poswell (ashlee.poswell@gmail.com) will be reaching out directly to Members for meetings and interviews, that align with your availability.

The Secretariat seeks your support to engage with the Independent Review Team of Natural Solutions Pacific, as your input will be important and valuable to these reviews. The findings will influence the future direction and focus of SPREP that will be presented to Members for due consideration in September.

Thank you for your kind understanding.

Yours sincerely

Kosi Latu
Director General
