SUBJECT: UNFCCC COP26 PSIDS Participation and Travel Assessment Brief

Dear Focal Points,

The Secretariat wishes to submit for your information the UNFCCC COP26 PSIDS participation and travel assessment brief that has been prepared by SPREP.

The brief has been developed based on the findings from the COP26 PSIDS participation survey and research undertaken by the SPREP team in collaboration with the Ministry of Foreign Affairs and Trade of the Government of New Zealand, Impact Project, and the UK COP26 Presidency.

The brief includes:

1. Summary findings from the COP26 PSIDS participation survey.
2. PSIDS participation scenarios.
3. Travel Assessment which includes travel requirements and routes based on entry requirements of the UK;
4. Risk Assessment Template to guide national delegations risk assessments.

The brief will be updated with any new information following the UNFCCC COP Bureau meeting scheduled to be held on 9 August 2021.

Should you need clarification on any of the information contain therein, please contact Filomena Nelson, Climate Change Adaptation Adviser via email filomenan@sprep.org.

Sincerely,

Kosi Latu
Director General
