SUBJECT: Pacific SIDS Post-COP26 Analysis Meeting, 15-17 February 2022, 12:00 – 15:30 (SLT)

Dear Focal Points,

The Secretariat in collaboration with Climate Analytics and One CROP team will hold the virtual **PSIDS Post-COP26 Analysis Meeting** confirmed to be held from the 15 to 17 of February 2022 from 12:00 noon to 15:30 Samoa local time.

This meeting is critical in setting the collective PSIDS priorities in the lead up to the UNFCCC Subsidiary Bodies sessions in June and COP27 in November 2022.

It will be an opportunity to reflect on lessons learnt from the engagement of the PSIDS Political Climate Change Champions and negotiators at COP26 and will further inform how we plan for 2022.

The outcome of this meeting will also inform the discussions during the Post-COP26 Pacific Regional Dialogue that the UK COP26 Presidency will be convening on the 23 of February 2022.

Please find attached the draft agenda for your reference. The zoom link will be sent out to all delegations a day before the meeting.
