**CIRCULAR:** 22/35

**SUBJECT:** **Pacific SIDS Loss and Damage Workshop, 28 April 2022, 12:00 – 15:00 Samoa Local Time**

The Secretariat in collaboration with Climate Analytics and One CROP Plus will hold the virtual Loss and Damage Workshop on the 28<sup>th</sup> of April 2022 from 12:00 to 15:00 Samoa Local Time.

The workshop will enable the Pacific SIDS the space to explore critical issues pertaining to loss and damage including the Santiago Network on Loss and Damage and Warsaw International Mechanism on Loss and Damage ahead of Bonn and AOSIS Technical Meeting.

The workshop will provide the Pacific SIDS with:

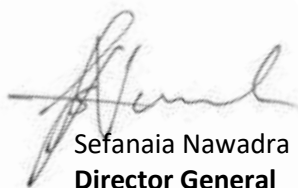

- An improved understanding of the framing of Loss and Damage, especially in the IPCC WGII Report;
- A better understanding of shared evidence gaps and research needs; and
- Space to discuss and develop a clearer position on Loss and Damage finance to take into the AOSIS technical meeting and the Bonn session.

Please note the virtual workshop presents an opportunity for open participation by national delegates/delegations to the UNFCCC in particular national delegates that follow loss and damage in the UNFCCC process.

The agenda for the workshop is attached for your information.

Please email to Filomena Nelson via email [filomenan@sprep.org](mailto:filomenan@sprep.org) the details of your national participants before close of business on Tuesday 26 April 2022 Samoa Local Time. Kindly note the zoom link for the workshop will only be sent to the officially nominated participants.

Yours sincerely,

Sefanaia Nawadra
