Dear Focal Points,

The Secretariat in collaboration with the Climate Analytics and One CROP team will hold the virtual Pacific SIDS preparatory meeting in preparation for the 56th UNFCCC Subsidiary Bodies - SBSTA and SBI session from 24 – 25 May 2022 from 12:00 to 15:30 Samoa local time.

This meeting is important as it will be your opportunity to consolidate common positions on the thematic priorities agreed at the Pacific SIDS Post-COP26 meeting held earlier this year. The outcome of this meeting will inform key technical briefs that will be developed to support the Pacific negotiators at the 56th Sessions of SBSTA and SBI in Bonn, Germany which will be held from 6 – 17 of June 2022.

The agenda and zoom link for the meeting will be circulated in due course.
