

## CIRCULAR

**FILE:** AP\_4/12/18 **TO:** SPREP National Focal Points  
**DATE:** 11 May 2022  
**CIRCULAR:** 22/42

**SUBJECT:** Launch of the SPREP GIS E-Learning Platform

Dear Focal Points,

The Secretariat of the Pacific Regional Environment Programme (SPREP) through the Environmental Monitoring and Governance (EMG) programme, in partnership with the United Nations Environment Program (UNEP)-Inform Project and the European Union (EU) OACPS /BIOPAMA Program invites you to the launch of the Geographical Information Systems (GIS) E-learning platform.

The GIS platform has been developed to raise awareness about the GIS tools and its application in our planning works.

With the different applications of GIS, it is important that users have a good understanding of its basic functions, ask the right questions, and more specifically get the correct solutions. Overall, GIS will allow users across the region to share ideas on how to meet their resource needs, plan efficient land use, and protect the environment to guarantee the survival and sound decision for the future.

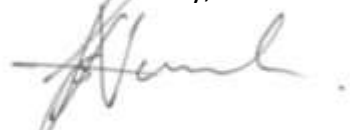

The launch of the GIS Platform is scheduled **on Wednesday 18 May 2022, from 2:00pm (UTC +13:00)**. This can be accessed on the zoom link below:

<https://sprep.zoom.us/j/91051996562?pwd=SDRoTkNOZ0Z4b3JlOGYyRHhiSkxBUT09>

For more information, please contact Mrs. Vani Koroisamanunu [vanik@sprep.org](mailto:vanik@sprep.org); and Mrs. Kasaqa Tora [kasaqat@sprep.org](mailto:kasaqat@sprep.org).

Thank you for your continued support and cooperation.

Yours sincerely,

Sefanaia Nawadra  
**Director General**
