

## Expression Of Interest

### POLP EOI SUBMISSION TEMPLATE

See POLP information note for further information on how to complete this form.

#### 1. Background

- Description of your national commitment to refuse, reduce and replace single use plastics as expressed in international and regional fora and in national initiatives (laws, policies, economic instruments, campaigns etc.).
- Summary of the marine plastic problem in your country and what progress has been made to address it.
- Any other relevant information on how marine plastic litter and/or single use plastics are being addressed.
- Gaps in addressing marine and single use plastics.

#### 2. List proposed activity/s in order of priority

- List no more than 10 activities in the below table.
- We encourage you to submit activities that meet your specific national priorities.
- Creative and innovative ideas addressing single use plastics are encouraged.
- If you do not have any potential activities in mind for proposal, we encourage you to submit the EOI outlining the background information above. The POLP may be able to provide assistance in identifying effective activities to address your key priorities.
- See POLP information note for the POLP outcomes and example activities.
