**SUBJECT:** Call for Proposals – PCCC-JICA Mentoring Service on the Formulation of Climate Change Basic Project Ideas for Public and Private Collaboration in the Pacific

Dear Focal Points,

The Pacific Climate Change Centre hosted at SPREP is pleased to announce a **Call for Proposals** inviting applications from **private and public sector entities** across the Pacific region to submit project proposals that address **climate change adaptation and mitigation**.

As part of PCCC's Technical Implementation Support under the Pacific Climate Investment Hub, PCCC offers a *Mentoring Service* to support interested parties to develop climate change related projects from the member countries of Cook Islands, FSM, Fiji, Kiribati, Marshall Islands, Nauru, Niue, Palau, PNG, Samoa, Solomon Islands, Tonga, Tuvalu and Vanuatu.

This initiative aims to enhance the joint engagement of private and public to develop climate change project concept that addresses key challenges while aligning with climate-resilient and low-carbon development pathways.

**Deadline for Submission: Wednesday 06 August 2025**

**Please refer to the attached Call for Proposal and Application Form for detailed information on eligibility criteria and thematic areas.**

Join us in advancing a climate-resilient Pacific. Your innovation could help shape a more sustainable future for our islands.

Yours sincerely,

Anthony Talouli  
**Officer-In-Charge**
