Dear Members,

The Secretariat is pleased to inform you of the upcoming **5th Clean Pacific Roundtable (CPRT)**, which will be hosted by **Papua New Guinea from 21–25 September 2026**.

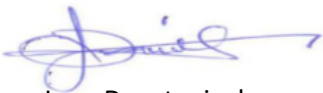

The CPRT is the premier regional forum that brings together Government Agencies, NGOs, Community-Based Organizations, Donor Agencies, the Private Sector, Academia and Tertiary Institutions, and Individual Experts from across the Pacific involved in waste and pollution management. The Roundtable serves as a catalyst for strengthening both regional and national cooperation in the waste and pollution sector and supports monitoring and reporting of progress towards the **Cleaner Pacific 2025**.

In addition, the Roundtable will provide the platform anticipated for the **launch of the new Pacific Regional Waste and Pollution Management Strategy – the Cleaner Pacific 2036**.

Further details—including the agenda, participant support, venue, and information notes—will be provided in due course.

Please do not hesitate to contact **Ms Susana Telakau** at susanat@sprep.org and **Ms Davina Tiitii** at davinat@sprep.org should you require any further information.
