Date: 21 May 2025
To: Interested Service Providers
Contact: Maraea S. Pogi (maraeap@sprep.org)

Subject: Request for tenders: Consultancy to develop a Biodiversity and Conservation Business Plan

Question 1:

Are you able to indicate the financial scope or expected value for this contract, to help guide proposal preparation?

Response:

Rather than a financial scope we have provided a time frame which should guide the expected scale of this tender. The timeframe for the consultancy is approximately 40 days intermittently, up to November 2025.
